

STATE CAPITALISM (as JRJ now (1969-70) explains it)

"What characterizes the theory of s-c is its dialectical unity. There are OTHER theories of s.c., but they are not theories of cap. society, rather they are theories of Russian society... still others document ~~Stoyogovsyan~~ not growing rev. capacity of ind/ wkg. class) and Marty claims no less than "foresee" new forms that were emerging in 1948 Notes on Dialectic--Hungarian Rev." ~~no party, proletarian revolution~~ of prol. as ending div. bet. it as obj. & it as consciousness. "Now if the party is the knowing of the prol., then the coming of age of the prol. means the abolition of the party. That is our new U stated in its baldest and most abstract form." ~~because wars, council were not just (desires in the case of the council communists) but as matter of dial. dev. rooted in his, "he is superior plus. Dial. nature of the theory of statecap."~~

"THERE IS MAINTAINED AT THE SAME TIME A FUNDAMENTAL APPRECIATION OF THE ROLE OF THE ARTIST AS AN INDIVIDUAL OF GENIUS & especially his usefulness in understanding society in telling us things about ourselves that formal social science cannot illuminate."

1948-G--4th -- Rev. of Economism in the Mxist movement--
In 1902 -- Economism expressed apology for ind. cap.
(As against Narodnik's view of agrarian dem. to supplant feudal autocracy--Economists claimed since ind. cap. inevitable. dem. to be left to liberal bourgeoisie.
Dura WWI Economism expressed itself as what L called an apology for imp. annexation. Against social chauvinism of RR, there emerged "imp. eco-ism" of Pol. & Dutch plus NB VII said there were "the best rev. & most int. -ist elements of int
