Dear Jennie:

The Central Committee of our Party expresses deepest sympathy to you on the loss of your beloved husband and comrade, Alberto Moreau. Let us share in your grief.

Alberto Moreau was one of the finest sons of the U.S. working class and one of the ablest theoreticians of the CPUSA. He will be missed by our Party, the working class and all oppressed sections, not only in our land, but throughout the world. He was an example, a model for all in the fight for social and national liberation of all who are oppressed by imperialism. His devotion to this noble aim was equalled only by his love for the Soviet Union and all peoples now living under socialism. His writings and teachings will never be forgotten.

It is impossible to think of Alberto without thinking of Jennie, and it is not possible to think of Jennie without thinking of Alberto. It is a matter of pride to us to have known the Moreaus and their 53 beautiful years together.

Alberto Moreau's life works will continue to live, not only through Jennie, Tina, Gorki and the grandchildren, but by the Party which he selflessly helped to found and build. Pages will be written about this brilliant and beloved thinker. I have the honor of presenting to you our Central Committee's estimate of Alberto Moreau. This great man will forever live in our hearts.

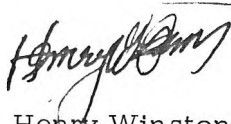

We shall redouble all of our efforts to help build the kind of world to which he devoted his life--a world free from exploitation, national oppression, racism, anti-communism--the full realization of which is victory over monopoly and the achievement of socialism.
