

Fund drive: close but not enough

It looks like we got close, but didn't make it. That's the initial assessment of the \$200,000 *Call*/CPML fundraising drive launched last July.

At year-end, the drive had brought in about \$160,000 but results of a December fundraising mailing haven't yet been tabulated.

We *need* to hit the total of \$200,000. This represents the money we actually need to keep

The Call and the Party's work going in 1980 even at 1979 levels. And we need even more than that to expand our work.

To make up the difference between where we're at when the final figures are tabulated and the \$200,000 goal, we'd like to make a special push for the "Win a Trip to China Sweepstakes." The raffle tickets, which should be accompanied by a \$1.00 donation for each

ticket (or \$5.00 for a book of six), are available directly through *The Call* as well as from local *Call* sellers in your area. The drawing will be held on March 15, and the winner gets an all-expense-paid trip to the People's Republic of China or \$2,000 in cash!

Every raffle ticket you buy, or every one you help sell, will bring us that much closer to the \$200,000 we need in 1980!
