

"The Marxist-Leninist Party Is Our Leader"

(Song by comrades of the COUSML written during campaign to found the Marxist-Leninist Party)

The musical score is written on four staves in 4/4 time. The melody is simple and rhythmic, with lyrics written below the notes. Chord symbols (C, Bb, G, F, D) are placed above the notes to indicate accompaniment. The lyrics are: "MARX-IST LENIN-IST PAR-TY IS OUR LEAD-ER, OUR VOICE HAIL THE FOUND-ING OF THE PAR-TY! COM-RADE WORK-ERS, WE RE-JOICE FOR THE PAR-TY THAT CAN GUIDE US TO END CAPITALIST MIS-ER-Y BUILD THE MAR-IST LENIN-IST PAR-TY! (THE RE-)"

The Marxist-Leninist Party
Is our leader, our voice.
Hail the founding of the Party!
Comrade workers, we rejoice
For the Party that can guide us
To end capitalist misery.
Build the Marxist-Leninist Party.

The Republicans and Democrats
Act just the same.
Promise paradise each election
But the problems still remain.
Down with these liars,
Lackeys of the bourgeoisie.
Build the Marxist-Leninist Party.

It's a Party of a new type,
Built in the working class.
To lead the socialist revolution
Is our Party's sacred task.
We build disciplined organization
In the mills and factories.
Build the Marxist-Leninist Party.

We are guided by the science
Of proletarian revolution --
Marx, Engels, Lenin, Stalin,
Applied for the solution

Of the tasks that we face
To achieve our destiny.
Build the Marxist-Leninist Party.

The Party we rebuild
Was founded sixty years ago,
Took up the revolution
But traitors sold its soul.
They became "left-wing" Democrats,
But we smashed their treachery.
Build the Marxist-Leninist Party.

The opportunist big shots
Opposed the Party from the start.
Now they're social-chauvinists,
It's World War III they want.
Each defeat they suffer
Is our victory.
Build the Marxist-Leninist Party.

To advance the revolution,
For our struggle to come of age,
The workers need their own politics,
Come out on the political stage.
In order to wage this struggle
Our battle cry must be
Build the Marxist-Leninist Party!
