
All Eyes on Cleveland!

Workers! Watch for Treason at Political Conference!

An appeal for members of the Workers Party of America to send telegrams to the Second Conference of the CPPA [Dec. 11-12, 1922], published under a banner headline on the front page of *The Worker* [New York], v. 5, whole no. 253 (Dec. 16, 1922).

This is being written as delegates from all parts of the land are speeding towards Cleveland, Ohio, to attend the sessions of the Conference for Progressive Political Action, Dec. 11. All indications show that an effort at betrayal of labor's interests is afoot. An attempt will be made to deliver the Conference into the hands of Sam Gompers and his reactionary "reward and punish" political policy. Every ounce of strength must be rallied against this move. Workers! Turn the eyes of all labor on Cleveland during the next few days. Watch for treason at this Labor Conference. Those who would lead you into the camps of the Wall Street political parties are your enemies. Show them that you are on the job. Wire your demand for an independent party of labor opposing all capitalist parties. Send the demand of your labor union, your shop, your factory, your mill, your mine. WIRE IT TODAY TO THE SECRETARY, CONFERENCE FOR PROGRESSIVE POLITICAL ACTION, ENGINEERS' BUILDING, ST. CLAIR AND ONTARIO, CLEVELAND, OHIO. DO NOT FAIL!
