# DANGER!

the Workers (Communist) Party.

Guicker than the mails, however, it is being flashed to thru these columns of your organ, the DAILY WORKER.

The message of this eignal is:

"THE DAILY WORKER IS IN DANGER!"

Here it is! Read it in full! Then act

Chicago, III., September 4, 1925. To all Branch Secretaries: To all Workers Party Members:

THE DAILY WORKER IS IN SERIOUS DANGER.

Unless substantial and immediate financial support is forthcoming, we will no longer be able to issue our daily paper, the most powerful weapon of our party. In the face of this calamitous threat to the welfare of the Communist movement in America, every Communist must take immediate and determined action. MONEY IS NEEDED.

EVERY DOLLAR POSSIBLE. WITH ALL POSSIBLE SPEED.

Branch Socretaries: Do not delay. If your branch does meet within the next day or two, get the money from r branch treasury, collect: It from members or friends ow it. Cet the money some way. You must have your rediste quots sent in within the next week.

THESE ARE THE FIRST WEEK'S QUOTAS: 

remin one week is the time limit.

This further details of THE DALLY WORKER campaign are being worked out. You will be informed of them soon.

Comrades, this is the call of danger to which we all must give instant answer.

Protect the life and growth of our party.

Preserve for the party its most powerful
paganda and organization.

### Save THE DAILY WORKER!

Civic Federation Head Has List of Favorites That Labor Must Fight

By J. LOUIS ENGDAHL

TODAY, printed copies of the recent red-baiting speech of Rajbh Montgomery Easley, chairman of the executive council of the class-collaborating National Civic Federation, are laid upon the desks of the officials of labor in Washing-ton, D. C.

tion, D.C.
"Open Shop" Easiey assures these officials, not only of
the American Foderation of Labor, but of the mine workers'
to mention a few, that he has drawn both inspiration and encouragement for his attack on the couragement for his attack on two
works of the man of the couragement for his attack on two
and the couragement for his attack on two
works of the great employers recognizes as his best
did in batting labor's progress the officials of the trade unlons supposed to fight labor's acuse against the exploiters.

But Easley will not be satisfied with inspiration from Green, Lewis, Johnston, Sigman and Hutcheson. Nor will he stop by merely accepting their applause. His printed speech is a clarion call to these traitor labor officials to support him in which the support him to the support

sees severage to a surfuse change in our form or govern-that means an energistic starting is to be made to get the legal sanction of congress, not only for the imprisonment of Communities and the consenting had suppression of Com-munities publication and the consenting of the com-munity publication of the congress of the class struggle and seek to develop the trade unloss into organs to carry on this struggle. Oc-operation of the reactionary and class-col-ingent in significant in the logical development of their mil-mant-baring policies.

Easiey raises the world situation as a nightmare with which to frighten timid labor spokesmen to his side. He says:

word revolution."

Ballot the City of the Salaning to make good its threat to produce the Salany then Cits developments in Chins, India, Parila, Editor, Carlot Carlot, Carlot says:

"The cabled news from all parts of the globe might lead one almo
to conclude that Moscow is beginning to make good its threat to produ

co and Mězico.

But none of these developments, growing out of the immediate struggles of the workers of these countries, should frighten American labor. If they put the white imprint of fear on the faces of Easley and his friends that is reason why they should flush red the faces of all labor with joy and hap-

pines. Every gain of subject nations and oppressed peoples is a help to struggling labor in the imperialist home countries. And all thinking workers everywhere felt the thrill of enthusiasm grow greater and greater as the British coal miners laid down the law of the class fight to the British coal barons.

laid down the law of the class fight to the British coal barons. Only the labor trainor can be won by such agruments as Easiey advances. The favoritism of this bosses' agent must put the stump of treason young all who receive it.

The next congress will be seed to pass legislation strong-received to the study of the seed of of t
