Cringing Third Partyites MASS MEETING Surrender to Old Party WON BY CLOTH FOR SAKLATVALA Leadership in New York

By J. LOUIS ENGDAHL.

TODAY, the third party bubble in New York City fates completely with the announcement by Congressman F.H. AcQuardis. Former president of the board of sidemen, that he william to no measurement against the two old parties. We would have a supplement to the same that the worked hard for a third party event. Not that he offers himself as the standard beare of the small bourgeoist. The mile advance his own political ambitions, which include even the application to occupy the White House at Washington.

aspiration to occupy the White House at Washington.

Yet the failure of the third party movement in New York.
City, supported to you have a supported to you have been a support of you have a you have been a support of you have personned to you have been a support of Morgan yet personned to you have been a support of Morgan yet personned to you have been a support of Morgan yet personned to you have y

Hylin and LaCquardia, now accept the old party decisions in the primaries without a whimper.

While Bryan merely flirted with the LaFellette movement, LaCquardia was in open alliance with it, even allowing his name to go before the voters on Hilliquits "socialism to the product of the translation of the translation to the translation of the translation to the translation to the translation that." An independent and progressive movement must originate and comes from the masses. It must not be a one-more appropriate wants to be the candidate of any one man.

That is the usual buncombe of the political adventurers who are always on hand to exploit the discontent of the support of 5,000,000 voters. LaFellette would not drive for a third party, coping to his grave an office holder of Wall Street C. G. P. Hylan was a candidate in the democratic translation of the product of the support of 5,000,000 voters. LaFellette would not drive for a third party, coping to his grave an office holder of Wall Street C. G. P. Hylan was a candidate in the democratic translation in the republican primaries of the special senatorial campaign in Wisconsin.

LaFellette, Jr., had the support of masses but, like his father before him, even the support of masses but, like his father before him, even the support of masses but, like his father before him, even the support of masses but, like his father before him, even the support of masses but, like his father before him, even the support of masses but, like his father before him, even the support of masses but, like his father before him, even the support of masses but, like his father before him, even the support of masses but, like his father before him, even the support of masses but, like his father before him, even the support of masses but, like his father before him, even the support of masses but, like his father the support of his support of masses but, like his father the support of his supp

In the New York campaign, as everywhere else, the fight for the labor party grows in virility. The proposal for a united front working class movement against the capitalist. The "socialists," as usual, turned their backs against it. But receives increasing support from rank and file workers, who will pioneer the way toward the creation of the movement, that will wage an intelligent fight against capitalism thur orkning to be led artray by fake third party decoys in the next crisis.

Green's Convention Thunder.

Considerable speculation is indulged in as to what lise William seems for the J. L. Haylor & Co. et al. 11. Haylor & Co. Sept. 13. Haylor & Co. et al. 11. Haylor & Co. e Considerable speculation is indulged in as to what time William freen will take, in making his opening box to the first convention of the American Federation of Labor he faces in the role of president, when that organization meets next month in Atlantic City.

The speculators need not waste much brain energy in guessing Green's line. Green will follow the strategy of Sam Gompers. He

Green's line. Green will follow the strategy of Sam Gompers. He will make faces, at the "unreasonable employers" as Sam did, but will reserve his heavy thunder for the Communists, just as Sam was in the habit of doing.

The labor fakers are not afraid of the capitalists, not even of

The labor fakers are not afraid of the capitalists, not even of the unreasonable" ones. There are only a few employers who have inch brains can't fo realise that the labor fakers atand between them and a militant trade union movement, that would make constant assunts on their profits. The labor fakers know that their laterests are interevower with those of the capitalists and therefore they will be the state of the contract of netery in Meline and Rock bished for six months and the company started is months and the company term of the Bock Install colority of the Bock Install colority for the Meline shop and 600 for the Bock Install colority of the Started Install Colority of the Meline Install Colority Installed Col that he is better able to save them from the Co than by any other labor lieutenant of capitalism in the paddock.

ne wil probably succeed.

The left wing in the labor movement is still deplorably weak.
It will get strong in time. It will grow in strength as the capitalist system in the United States weekens. And as the capitalist system weakens, so will the power of the labor fakers who are part and pared of that system.

NEW YORK CITY, Sept. 22.—The

Anthracite Profits - -By Earl R. Browder

to \$3 per cent.

Or the Hillside Coal & Iron company. Its cash dividends in 1917 were 105 pct.; in 1921 were 205 pct.; and in 1922 were 190 pct. (and the last figure averaged \$4.69 per ton of coal mined by the corporation!)

But it is objected, not all the corpo-

been written as no high that he driv-per cent.

Some of them are no poverty-dividend? For example, the Phila delphia and Reeding Coal & Fore Co. 1000/000 follows: I have contained the example, the Phila delphia and Reeding Coal & Fore Co. 1000/000 follows: I have "centilated its excritings absed of time, and the powds are cellected by estime," scott.

And then, if one is going to relevant these tremendous profits, why should have to example and the powds of the contained in the contained of the contained and affer the battle as "stock dividends."

These the Philadelphia and Reeding dendity increased its surplus from antirector.

com \$1,440,000 in 1915, to \$29,074,000 is 1927.

1917 Surely you will agree that they must pet; cut wages to get out of the poverty-ten to the pet of coal dividends:

AND there's the Lehigh Coal of Anarigation Co. Its "enguise" increased from \$14.54.00 is 1917.

dividends!
