Nobel Peace Award Goes Begging Among Flunkeys of World's Imperialists

By J. LOUIS ENGDAHL.

TODAY, the Nobel Committee, that has the awarding of the so-called Nobel Peace Prize, announces that it is reserving its decision until next year, confessing that in all the world it cannot find any organization or individual worthy of the alleged honor. This is easily funderstood, since the solid prize of the support of the support of the world under the domination of war-breeding and the world under the domination of war-breeding and only to the prize of the world under the domination of war-breeding and the support of the world under the domination of war-breeding and the support of the world under the domination of war-breeding and the support of the world war-breeding and the world war
